About Me

Passionate UI/UX Designer focused on creating intuitive and visually engaging digital experiences. Skilled at translating user needs into seamless workflows while balancing aesthetics and functionality. Collaborative, detail-oriented, and committed to delivering high-quality design solutions.

Projects

- [kliqueStart website](#)
 - Designed an immersive landing page in Figma, featuring a modern and professional UI to reflect the platform's startup-focused vision.
 - Incorporated a visually rich layout with custom geometric shapes, gradients, and imagery to make the design stand out.
- [Nutriquest](#)
 - Designed the UI for NutriQuest Roadmap Generator with clean aesthetics and intuitive navigation.
 - Enhanced user journey by creating a modern, user-friendly experience using Figma and prototyping tools.
- [Product website\(Touch OS\)](#)
 - Designed a modern, responsive website UI in Figma, showcasing video tools, community features, and interactive layouts.
 - Focused on clean visual hierarchy, user-centric UX.
